We will review changes to our online grant application process, project outcomes as related to our strategic plan, and other objectives and requirements of our funding programs.

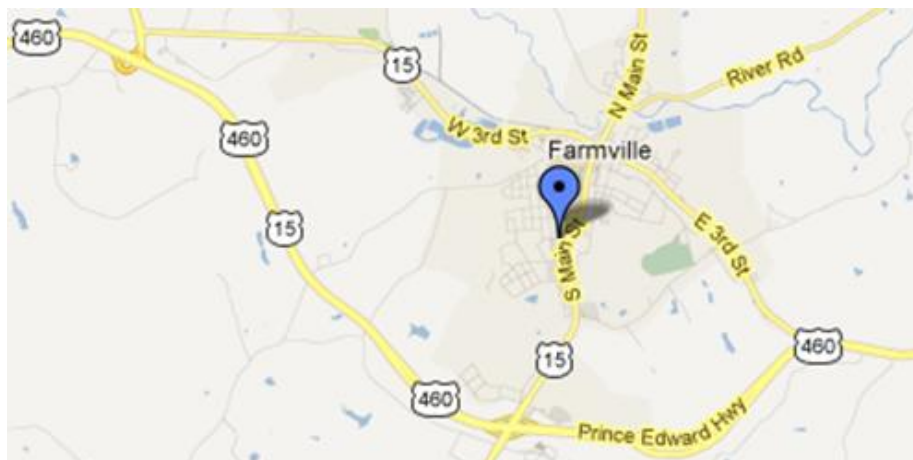

The discussion is applicable to all TICR grant programs including these FY13 deadlines:

- Research & Development . July 20, 2012 & September 7, 2012
- Special Projects . August 1, 2012 (*including regional initiatives and healthcare access proposals for cancer research or telemedicine*)
- Education . July 13, 2012 (*community college financial aid only*) and date TBD (*competitive education funds*)
- Agribusiness . October 15, 2012
- Southside Economic Development . October 15, 2012

Technical Assistance Meetings -- Commission staff will be available after the workshop on July 10 and on July 11 in Chatham to meet with prospective applicants during 30 . 45 minute assigned timeslots. To schedule an appointment please contact Sarah Capps, sarah.capps@tic.virginia.gov.

Workshop attendance is free and advance registration is not required. However, in order to estimate a headcount we ask that you e-mail Benjamin Dawson, benjamin.dawson@tic.virginia.gov by Friday, July 6 if you know how many representatives from your organization will plan to attend.
